Environmental Policy 2018 - 2020

Tutto Parquet, t/a *tuttoparquet*, is a highly experienced flooring company specialising in the supply and installation of a very large range of flooring products to both commercial and domestic sectors in Greater London and the South East of England. We are committed to continuous improvement and to promote best practices. We recognise that the adoption of environmentally friendly business practices is an essential component to ensure sustainable business growth.

Our commitments

- Legal compliance, continuous improvement and prevention of pollution;
- Education and training of employees in environmental issues;
- Monitoring of progress and review of environmental performance on a regular basis;
- Compliance with our duty of care in the disposal of our waste through council amenities.

Our key objectives

- Minimise waste and prevent pollution;
- Comply with all relevant environmental legislation and applicable codes of practice;
- Review our progress every second year;
- Ensure that our customers and staff are aware of our Environmental policy;
- Support innovation and the continued use of sustainable resources.

Key areas to focus – 2018/2020

- Office waste – to minimize;
- Packaging/materials used in installations – to maximise recycling;
- Staff training on environmental policies, objectives and best practices.

Overall and final responsibility for the implementation of this policy lies with the Managing Director.
